PROFILE

Multidisciplinary animator and motion designer with a solid foundation in storytelling and visual identity. I've worked across TV, music visuals, and digital campaigns, always aiming to craft work that's expressive, engaging, and rhythmically dynamic. Whether collaborating in studios or as a freelancer, I adapt easily to different styles and pipelines, always focused on detail, timing, and visual clarity.

EXPERIENCE

Mediaset España

March 2025 - Present

Motion Graphic Designer

- Designed motion graphics and visual assets for TV programs, ensuring high-quality visuals aligned with brand identity.
- Collaborated with production teams under tight broadcast deadlines to deliver dynamic and engaging content.
- Focused on creating seamless, user-centric designs that enhanced the viewing experience.
- Integrated interactive elements where appropriate, enhancing audience engagement and interaction.

Freelance Artist

October 2023 - Present

Motion Graphic Designer and Animator

- Contributed to shortfilms like *Abracadaver* and campaign content working with The 2D Workshop Studio.
- Created visuals for music videos and personal game UI projects.
- Animated titles and transitions for *Regias del Drag: Spain*.

La Caña Brothers

October 2021 - October 2023

Motion Graphic Designer, 2D Animator and Storyboard Artist

- Designed and animated motion graphics for title sequences and visuals.
- Created characters, storyboards, and animation for *Pollo y Cogollo* series.

Mutishan Interactive

January 2021 - June 2021

UI and Visual Designer

- Designed web and app interfaces with a user-centered approach.
- Developed visual identities and digital branding elements.

Avoco Comunicación

March 2016 - May 2016

Motion Designer and Graphic Artist

- Created motion graphics for corporate videos and promotional content.
- Designed visual assets for digital campaigns and print materials.
